

Quicken Spell

[Mystical]

Benefit: Casting a quickened spell is a free action. You can perform another action, even casting another spell, in the same round as you cast a quickened spell. You may cast only one quickened spell per round. A spell whose casting time is more than 1 full round action cannot be quickened. A quickened spell uses PPs four levels higher than the spell's actual level. Casting a quickened spell doesn't provoke an attack of opportunity.
